**All are welcome to join The Arrow Fund for
National Pet Remembrance Day on Sept. 13 to
honor beloved pets who have passed**

LOUISVILLE, KY (August 2026) – This National Pet Remembrance Day—**Sunday, September 13**—we welcome you to **join The Arrow Fund (TAF) from 2-4 p.m. at PG&J's Dog Park, 800 Baxter Ave.,** for a special gathering devoted to love, reflection, and remembrance of our pets who have passed.

This day of pet remembrance has been around for 50 years, observed by many across the globe. “Remembering our pets who have crossed the rainbow bridge is a wonderful way to honor them, recognize the role pets play in our lives as family members, and support one another during the grief that their passing brings,” said Shelia Joneleit, TAF Exec. Dir.

Together, we will remember those animal victims of abuse who had been rescued by The Arrow Fund, as well as the beloved pets of our Arrow Fund family and friends. Though these animals are no longer by our side, the joy they brought, the lessons they taught us, and the love they gave remain with us always.

Please gather with TAF on September 13 as we share memories, hold space for one another, and celebrate these beautiful lives that will forever be part of our hearts.
